THE BASIC CLASS

This is the foundational course for all Lay Servants. This class will encourage you to recognize and employ personal spiritual gifts for the church in order to use them as God fully intended. Every candidate must secure the approval of their Charge Conference and complete the Basic Course.

Instructor:
Rick Watts, CLS

ADVANCED CLASSES:

EMBRACING PERSONAL PRAYER

This course will allow you to be able to establish a daily practice for communicating with God and listening for God's answers. You will find ways to come to the Lord in prayer (singing, fasting, praying the Scriptures, praying for others, and using intercessory prayer). You will explore the many names of Jesus and God you can use for adoration in your prayer. You will identify your need to overcome the barriers you may now be experiencing in your prayer life. Finally, you will be provided useful tools for structuring your prayer life and focusing on the Lord.

Instructor:
Minister Larry Dozier, Pastor
St. John's UMC

JUSTICE IN EVERYDAY LIFE

This course takes an in-depth look at the Social Principles of The United Methodist Church — the church's attempt to speak on contemporary issues with which it is confronted today. The book covers topics such as the following: Natural World, Social Community, Economic Community, Political Community, Biblical Foundations of the Social Principles, and Teaching the Social Principles. It is not only for Lay Servants but is for anyone interested in studying the Social Principles in greater detail.

Instructor:
Rev. Douglas Dickson, Pastor
Cal-Heights UMC

Lay Servant Ministry

Lay Servants are to serve the local church or charge in any way in which their witness or leadership and service inspires the laity to a deeper commitment to Christ and more effective discipleship. This includes the interpretation of scriptures, doctrine, organization, and ministries of the church.
